2. **Approval of the minutes from the meeting held on 22nd March 2018.**
The minutes were agreed and approved then signed by the chairman.
3. **Chairman's Report** - The chairman read out the report to those present. This will be published in the Otmoor Review and on the Parish Council's website.
4. **Financial Report** – The Clerk/RFO read out the report informing the village of ongoing costs and the increase in the precept from £6500 to £8000. This report will also be published in the Otmoor Review and the Parish Council's website.
5. **Allotment Rents** – Those tenants present paid for their plot. One tenant asked when the quote from Thames water for a water supply was likely to be received. The clerk confirmed that the quote had been sent off, but as of today's date had not received any response.
6. **Matters for further discussion** –
A member of the village asked if the PC knew why a gate had been erected down Mansmoor Lane? No councillor knew of the reason, but a discussion took place which brought to light that it had been erected to deter fly-tippers. Cllr Pearson suggested we get clarification from Highways or Oxfordshire County Council on who owns the piece of lane where the gate or gates have been erected.

Cllr Pollard had some new posters available regarding the OXCAM expressway for anyone who would like to display.

There being no further business, the meeting closed at 7.30pm.
